1ST ALBUM - WHY DON'T I...?

ABOUT US

LEMONY, an alternative band under Sanamluang Music, is known for their high-energy performances that get the crowd jumping from start to finish. Having earned recognition across Asia through various music festivals such as Japan, Singapore & Taiwan, their infectious pop sound seamlessly blends flowing melodies with deep emotions, offering listeners an immersive and heartfelt experience every time. LEMONY formed since 2022 with the four members. Their debut album, 'Why Don't I.....?', the full-length album besides cheerful songs they are good at, they also have a few songs that talk about other things in life and let their audience explore these different emotions together with them through music and lyrics. Being lively definitely is the band's DNA as well as being true to themselves. These traits are clearly reflected in their seven songs from this album. Be prepared to enjoy the zesty sounds from 'LEMONY.' Their powerful stage to deliver a thrilling performance that will have all fans headbanging along and simply impossible to look away from!
